**POMELO**

Pomelo is harvested from orchards in PICHIT and NAKORN PATHUM, a famous intensified area that is registered in fruit geographical indication of THAILAND

The Pomelo has delicious and harmony taste which is high of Vitamin C & Lycopen

**GINGER**

Ginger is beneficial for the digestive system, which is the rate at which food moves out of the stomach and responds to digestion.

**SWEET TAMARIND**

Loaded with antioxidant vitamins, minerals, this tangy-sweet fruit is ideal for those dealing with digestive disorders, heart related issues and is good for diabetics too. It is a natural laxative, shields body from the absorption of bad cholesterol into the blood

**BANANA CHIP**

Banana chip is thin slice of banana that has been fried or dried to create a crispy snack. It can be sweetened or salted, depend on the preparation method. Typically, ripe banana is sliced, then fried in oil or baked until becomes it crunchy.
